#### PCS Signs Borough of Kutztown as New Client

Denison, IA – July 22, 2008—Professional Computer Systems, Co. (PCS), is pleased to announce that the Borough of Kutztown, Kutztown, PA have signed with PCS to implement *Utilit-e Connect* for its customer information and utility billing requirements. Borough of Kutztown is a rural community in east central Pennsylvania near Allentown.

The Borough of Kutztown provides multiple services to the 2,200 residents that reside in the area. The installation process will begin with an on sight visit in October 2008 to determine the scope of the project. It is anticipated by end of the first quarter 2009; *Utilit-e Connect* will be completed at Borough of Kutztown.

“The Borough of Kutztown is excited about working with PCS.” comments Frank P. Caruso, Director of Information Technology at Borough of Kutztown, “Our goal is to consolidate and streamline our current operations and the PCS solution and options available fit these goals. We have a complex operation of Electric, Water, Sewer, Refuse, Television and Internet Services operating in a multi-company environment. We selected PCS because of their expertise, available options, and equally important, their track record of success. Our staff is excited and looks forward to a long lasting partnership”.

PCS is very pleased to work with Borough of Kutztown,” stated Kim Ingerslev, President and CEO of PCS. “We remain committed to the Municipal, Rural Electric Cooperatives and Investor owned utility market and look forward to extending our client base to the Pennsylvania area.”
